Press one time to turn on.
Press two times to turn off.

Press one time to switch between laptop and document camera.

Mimio

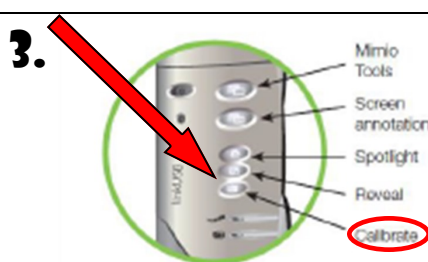

1. Open shortcuts on the desktop.

2. Open Mimio Studio Notebook (purple).

3. Press the bottom button on the GRAY Mimio to calibrate.

3. Press the top button on the WHITE Mimio to calibrate.

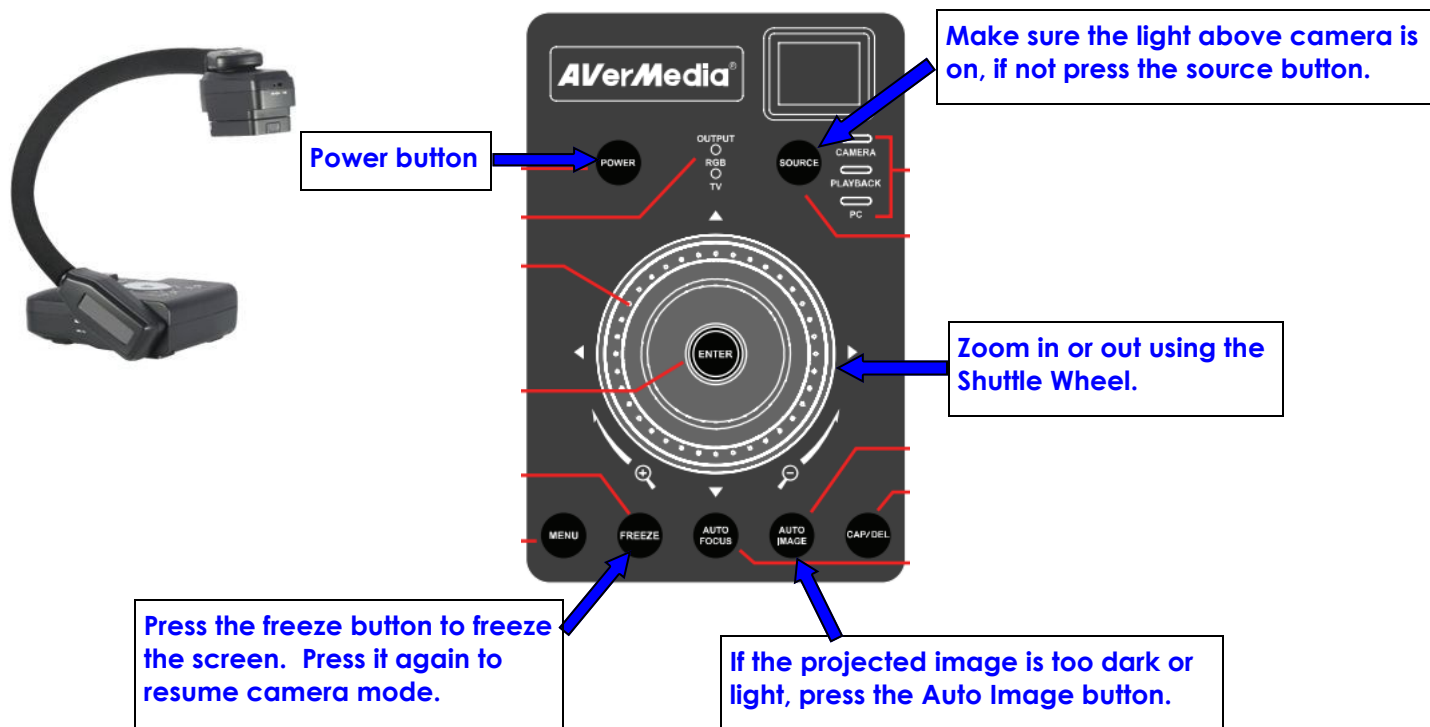

OR 3.

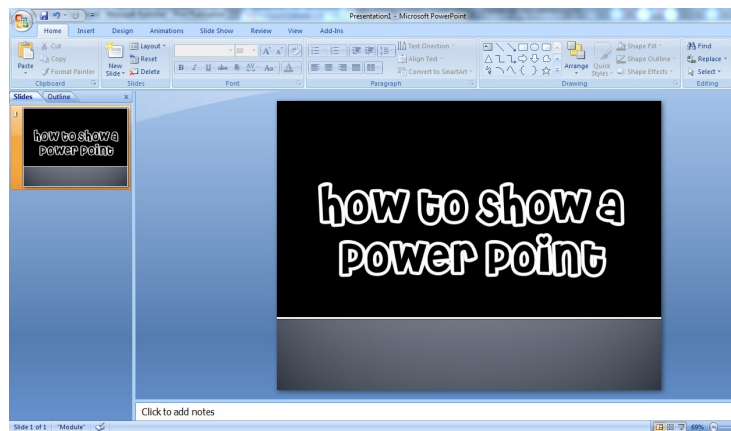

Use the Mimio stylus (pen) to touch the center of each target around the perimeter. When this is complete, the Mimio should work.

Document Camera

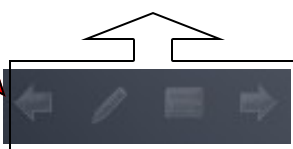

Power Point

Click on the slide show button to start the presentation or click the Slide Show tab at the top.

When in slide show mode, if you need to go back to the previous slide click the back arrow in the bottom left of the screen.
